Dear Mike:

Thank you for presenting *Riding the Waves Without Getting Wet* to our audience of automobile dealers and owners.

Mike, as our closing speaker you delivered just the right message to send our members off on a good foot, and I have received numerous compliments. The audience liked the fact that you were familiar with the auto industry and tailored the program for them.

In addition to a terrific presentation you were easy to work with and that means a lot to an association executive.

I look forward to working with you in the future.

Yours truly,

Diane Turner
