

Recommendation for Mike Hourigan

Mike did an excellent job presenting *How to Get What you Want Through Negotiation* at RFMA 2020. He walked around the room, really getting attendees involved in the presentation. He made it active and engaging. Mike did an impressive job compressing the topic into the time frame and answered all questions asked. He stayed after the program and made sure to talk to all who wanted to discuss any issue.

Great speaker and very easy to work with.
