

United States Bowling Congress

Good Morning Mike,

We wanted to thank you again for your contribution to our USBC Convention with your seminars. They were enlightening and engaging for our association volunteers and should leave a lasting impression. You provided well rounded seminars with insightful perspectives and practical tips that sparked ideas and discussions throughout the week.

On behalf of USBC and all the attendees, we extend our thanks to you for taking the time to share your expertise with us. We will be sure to let our attendees know should they have questions, to reach out. You assisted in making our Convention a resounding success and we are grateful you were one of our speakers.

Looking forward to speaking with you later this week.

Have a great day!

Kind Regard,
